Upgrading of Base Hospital-Avissawella as a District General Hospital in Colombo District

Base Hospital – Avissawella is a Type “A” Base Hospital at present and it is located close to a boarder between Colombo and Ratnapura Districts. Considering the current situation and service requirements of the hospital, the Ministry has decided to upgrade and re-categorize the Base Hospital – Avissawella as District General Hospital – Avissawella in the Colombo District with effect from 01.01.2020.

Other information pertaining to the institution is as follows:
