To All Heads of Line Ministry Institutions,
To All Provincial Directors of Health Services,
To All Regional Directors of Health Services,

Implementation of delayed Annual Transfers and Annual Transfers of Grade Medical Officers 2021

Necessary steps are being prepared to arrange the noted list of grade medical officers for 2021 by the Ministry of Health. The relevant vacancies are identified as per the approved carder by the Department of Management Services and by the instructions of the Health Services Committee of Public Service Commission. The probable noted list is attached herewith for the comments and corrections, **which must be submitted with the scanned copy of authorization of the Head of the Institution by 18th December 2020, only through hrmisonline@gmail.com.**

Therefore, all medical officers who are on transfer orders are informed to get the release immediately **before the 31st December 2020**, according to all the published annual transfers' lists and **all the approved reattachments will be cancelled from 31st December 2020**, in order to keep the transfer process to be effective and streamlined. Only those without replacements, will be reattached after 01st January 2021.

In addition, the Medical Officers who have recieved transfer orders in 2018 / 2019 transfer lists and who have not already been released, are hereby advised to get the release from the current working station and report duty to your ordered station immediately before the 31st of December, if you expect to apply for the 2022 annual transfer list. They should get released from the current working station and report to the new station and apply for the annual transfers with the recommendation of the head of the institution.
